720P HD In-Car DVR with 2 Inch LCD Display and Night Vision (4GB)

Product code: CVSB-DC45

Primarily designed to be mounted on a car dashboard or windshield, this high quality HD video recorder with 2.0 inch LCD screen and night vision function enables you to easily capture video of road situations. Common uses include: insurance purposes, court evidence, capturing an officer's abusive behavior or just plain fun!

Recording 720P HD videos, this is your ideal choice for an in-car DVR. Heading on a road trip with your family or friends? Simply mount this mini DVR on your windshield and catch what you see on the road: breathtaking views, interesting events, etc. With the included free 4GB micro SD card, you can record hours of high quality videos. Best of all, with the powerful night vision functionality, this is one DVR that works all day and all night.
